Belajar Dasar Pemrograman JavaScript
10/2022 - 10/2025

Certificate of Competence With Competency Computer Network Junior Technician
09/2022 - 09/2025

SUMMARY

I am a graduate majoring in electrical engineering with a D3 telecommunications study program at the Jakarta State Polytechnic. Experience working as a technical operation support at PT MANDAU. I have interest in networking and programming. This is evidenced by Google's IT Support certificate facilitated by Baparekraf Digital Talent 2022 which I attended for 2 months in which there were 5 courses covering networking and programming.
